THE PERFECT VIEW

The lake on the horizon. The beautiful golf courses. Pre- and post-game services to meet all expectations. The mild climate, the colours of nature and an elite tourism service. On Lake Garda you can play all year round, on courses that might be close in terms of proximity but are technically widely diverse. Perfect for a holiday of golfing and fun.

FROM THE BEGINNING TO THE PRESENT DAY

Golf has been played here for over a hundred years, ever since Golf Bogliaco, Italy's third green, was established in 1912. Since then, new courses have sprung up that organise weekly competitions and events open to tourists, and welcome athletes from all corners of the world.

Professional instructors and courses for beginners to improve performance. Shopping, great wines, information and services for getting around and exploring Europe's largest lake.

THE GREENS OF CHAMPIONS

Gardagolf Country Club has already hosted three Italian Opens (1997, 2003, 2018); in 2020 it was the turn of the Chervò Golf Club San Vigilio. Major car manufacturers, Italian fashion brands, national and international sporting events choose Garda as their perfect location.

Arzaga Golf, Golf Bogliaco, Chervò Golf Club San Vigilio, Gardagolf are the champion courses. **Colombaro Golf** is the newest arrival. On all of them, concentration, enthusiasm, fun, fair play and competitiveness are the rule.
